DVS – 5TH ANNIVERSARY WEEKEND 17 – 19TH SEPTEMBER 2010 – UPDATE – SORRY!

GJazz Promotions have sent me the following:-

We are delighted to have sold our complete allocation of rooms, however, on the second visit to The Headland at the end of March it was obvious that we had been allocated too many rooms as it appeared that it would be difficult to seat everybody in the Hydro Suite (function room).

The room has three sections and pillars so, to ensure that everybody has a clear sight of the stage area, they have to be seated in the largest section. Unfortunately this section has three fire exits which adds to the problem.

Several layouts were prepared and discussed with the hotel manager who actually laid out the room as per the final proposal to ensure that the required tables and chairs could be accommodated, access to the fire exits was maintained and people would not be too close to the stage.

The tables in the Hydro Suite will be identified with letters and to make things easy, the tables in the dining room will also be identified with letters and people will sit at the table bearing the same letter in both rooms. On arrival, people will be informed regarding which tables they have been allocated to for the weekend.

As a consequence of the foregoing, it has been decided that it is not possible to accommodate additional people in the function room so unfortunately there will not be any session tickets available.

We know that you will be disappointed as so many of you were waiting for day session tickets and we are really sorry that you won't be able to attend. As a way of softening the blow I've given you very advanced notice of something special next year below!

BRITTANY & NORMANDY – 2011

The band is off abroad again next year - twice we hope! First to Dinard in Brittany and second to Normandy.

In April we are going to a wonderful hotel – Wessex Continental have really excelled themselves with this hotel. For those of you with the internet have a look at the web site <http://www.printaniahotel.com>. If you can't read French then Google the name of the Hotel - Hotel Printania and Google will ask you if you want the page translated - click on translate and it will change it to English for you. It really is wonderful.

On October 8th 2011 we set sail by Fastcat from Portsmouth to Normandy – so it may be that some of the bands supporters from the South East will be able to join us this time. Although the hotel is booked etc I am just waiting on final details from Wessex Continental and hope to have the booking forms etc ready for the next newsletter and we will also post them on our web site as soon as we get them.

I hope that has eased the disappointment of the Anniversary Weekend a little - between GJazz and Jeremy we have tried every possible option – believe us!
