### NEW STUDIO RECORDING CD COMING SOON!

The band has been in the recording studio to record the bands 6<sup>th</sup> CD and has produced an excellent CD entitled - **STREETS OF THE CITY** – we hope to have it completed by middle of July. The CD was recorded at South Devon College Studios by Pete Day and mastered by Bob Martin. Jeremy is very pleased with this CD and would thoroughly recommend it. (Very rare for any musician to get excited about a recording and even more so when it's Jeremy, so it must be good!)

### ***TRACKS ARE:-***

**Willie the Weeper, Deed I Do, Miss Jenny's Ball, Dream a Little Dream, Black Cat on the Fence, Roll Along Prairie Moon, Streets of the City, Birth of the Blues, Wabash Blues, Red sails in the Sunset, Cake Walking Babies Back Home, Give me your Telephone Number, Jambalaya.**

As you can see we have a busy July and August and that's only the public dates – please try and support the band wherever they are. You'll see that I've also produced a sheet of jazz festivals, weekends and other dates that maybe of interest to you on a separate sheet. If you think this is useful then please let me know and I'll continue with it – my thoughts are that it may help you plan your weekends etc.

### **Ron Berry News!**

Excellent news for Ron – some of you may have read that when we returned from France he received a letter from DVLA revoking his driving licence due to his Glaucoma. Well, following an advert in his local shop he has found a driver Pat who takes him to gigs in the Bay and then takes him home again! We are really pleased and grateful to Pat as the band just wouldn't be the same without Rocket Ron – as Jeremy says he is inimitable! Also thanks to Graham who diverts from his usual route to collect Ron when we are all heading off from our house. (Ha - told you Ron that you couldn't leave without giving me 30 years notice in writing!).

Finally many thanks for all your good wishes for my forthcoming operation – It hasn't happened yet but part one has! On 24<sup>th</sup> June I went into hospital for an Angiogram and had a small stent fitted. Due to this operation I'm not able to have the major operation until at least six weeks after this procedure so it will be some time yet. I'm now of a mind to let it wait until middle of October when we return from Normandy but we'll see what dates the hospital comes up with. My thanks also to Jeremy and Jenna (Our daughter) who have looked after me so well since coming out of hospital.
