## **M & J PROMOTIONS News**

Our January Jazz Weekend was a real storming weekend – many people gave us feedback that it was the best yet, and felt that the mix of bands was just right with something for everybody.

With regard to the request show questionnaire regarding your preferred option of a) keeping the request show to 1 hour in the morning, b) extending the request show to an afternoon 3 hour session or C) combing the request hour within the afternoon band session I can reveal the results are: Option A - 40%, Option B - 30% and Option C - 30% - Therefore, we will look to book another band for January 2017 and will let you know in due course which band this will be.
