### COLIN RUDD

Some of you are aware that on our return from the Isle of Wight on 20<sup>th</sup> March Colin suffered a massive heart attack on the ferry. We were very fortunate that there was an off duty A&E Doctor on board and also a defibrillator, together with some very competent First Aiders who managed to bring him back 3 times before the Paramedics arrived. Colin was then Airlifted to Southampton Hospital where he spent three weeks and had a pace maker and defibrillator fitted. I'm now very pleased to tell you that he is now back at home and looks really well. We cannot thank Wightlink Ferries enough who together with the people already mentioned made a very traumatic afternoon somewhat easier!

However, Colin has decided that his body is telling him it's time to rest and he is now only going to play gigs that are local to him (Westward Ho). Sadly Colin has now resigned from DVS – we thank him for his playing with DVS over the last two years and wish him well.

Colin and us would also like to thank you for your kind messages in wishing him a speedy recovery and enquiring as to his progress.

As a consequence of the above DVS are currently in the position of having no regular bass player – but I'm pleased to say that Tony Mann (original bass player with DVS), John Fellows & Colin Fulcher have stepped into the breach. Followers of the Band will have seen them all working with the Band before at various times – we would like to thank them for helping us out at such short notice.

## M & J PROMOTIONS News

Our April Mid Week Break, was another successful jazz break – many people gave us feedback that felt that again the mix of bands was just right with something for everybody. However, I would like to kindly remind you that nowhere do we advertise these jazz breaks as “Trad” Breaks.

We listen to you and your feedback and book the bands you have requested. Many times people put on their feedback forms that they want to see more of Jeremy playing but these breaks are not exclusive to him playing in all the bands! (Ed).

Our aim is to put on a jazz break at an exceptional hotel and whilst we do tend to book more Trad bands we want to put on something that appeals to the majority. Our reward is to see everyone enjoying themselves as this makes all the hard work worthwhile!
