SPAIN OCTOBER 2008

If you missed the Brittany trip there is still an opportunity to go abroad with the band in 2008 to Green Spain – see enclosed flyer (For those who receive this by email here's the link to take you to the information on our web site <http://www.dartvalleystompers.co.uk/spain.htm>. It would be great to see you all there and we promise you will have a wonderful time!

Also enclosed with the Newsletter is a questionnaire regarding holidays with the band – we would be grateful if you could complete this and **return it by 10th July please**. If necessary we could reallocate the autumn trip to France if there is more demand for this than Spain.

BOURNEMOUTH JAZZ CLUB

The band made their debut at this wonderful club and played to an appreciative audience – Bournemouth Jazz Club had put in their publicity the following:-

“An outstanding coup for the club – The first ever visit from the quite wonderful Jeremy Huggett (reeds) led Dart Valley Stompers – Up from Devon, this quite new band, is taking the traditional jazz world by storm and sports the stunning Graham Trevarton (Cornet), Ron Milford (Trombone) and Ron Berry (Drums).

The band as always lived up to their reputation and played a fantastic gig with two further gigs booked back at Bournemouth Jazz Club next year.

There was only one problem when we went to get into the band bus to come home we were blocked in by a German 52 seater coach. Having considered the option of trying to get the Transit through a gap wide enough to fit a Mini, or wake up the coach driver, we opted for the latter !

However, the coach was “state of the art” and was brand new, and had a device fitted to it which recorded whether the driver had gone over his hours – if the coach moved more than a metre, it would not be able to be started in the morning.

Anyway, after a bit of Anglo Saxon persuasion, the German moved his coach allowing our bus to go on its journey home.
