NEW STUDIO RECORDING CD LAUNCHED!

The band CD entitled - **STREETS OF THE CITY** – is now on sale and the tracks are listed below. The CD has only been on sale a month and is flying off the shelves!!

TRACKS ARE:-

Willie the Weeper, Deed I Do, Miss Jenny's Ball, Dream a Little Dream, Black Cat on the Fence, Roll Along Prairie Moon, Streets of the City, Birth of the Blues, Wabash Blues, Red sails in the Sunset, Cake Walking Babies Back Home, Give me your Telephone Number, Jambalaya.

John Whitlock's news!

It seems John has been busy elsewhere in the recording studio and has had some of his original banjo solos published in sheet music and Tabs – they have been published by Essex Music and are available on line at www.cliffordessex.net where you can hear samples and purchase them at £3.00 each. The numbers are Helter Skelter, Snakes and Ladders and Wild Goose – So all you budding banjo players out there get a copy of the sheet music and one day, who knows you could play banjo with the Dart Valley Stompers (When John retires of course!).

Graham Trevarton's news!

Graham has been in hospital for an angiogram and he will have to return to hospital in the next 6 weeks, to have a stent inserted in his heart. Following this procedure it will put Graham out of action for some weeks. The band will either complete the gigs they have as a 5 piece or will have a replacement trumpet player. We wish Graham well and hope that he is back playing with us very soon and feeling much better.

Festival up date sheet!

Thanks to those that have contacted me to agree that the festival and weekend sheet is a good idea and therefore I have decided to continue with it. You'll find it attached to the newsletter and has been updated to include two new weekend venues the band has been booked to play at in 2012 – Including a Venture Away Weekend in Coventry in March and also a weekend in Blackpool in September!

Finally thank you all very much for your continuing concern – as you know I had a stent fitted in my heart in June and the major operation is scheduled for late November. However, I am trying to avoid this operation by taking medication instead – but will let you know if the operation is going to take place!
